

Cancer Patients Aid Association. – Mahalaxmi, MUMBAI

<http://www.cpaaindia.org>

“M/s. Cancer Patients Aid Association”, a voluntary organization working towards the cause of needy cancer patients for the last 33 years. For this we have developed several individual software packages for computerization of various departments. viz. Diagnostic & Detection Centre, Cancer Insurance Policy Management, Patient Care Department & so on. All these packages are integrated leading to better management of the organization.
